## SHANIA'S TEE BAG!

The backstage lounge for presenters and performers at the recent ACM Awards in Las Vegas was jammed with a great assortment of gifts – and each celebrity got to pick from sunglasses, fashions, Vegas show tickets, a Swedish mattress set and more!

Sleek and gorgeous fashion plate Shania Twain chose an ultra-stylish Skinny Minnie tee and a Sak handbag to carry it home. Go to [skinnyminnie.com](http://skinnyminnie.com) and [thesak.com](http://thesak.com) to check out these and other great fashions.

**Q** Could you please tell me the name of the actor who plays Toby Keith's partner in his video for "Beer for My Horses" with Willie Nelson? He looks really familiar, but I just can't place him.

Distinctive Assets produced the Gift Lounge for the 2003 American Country Music Awards.
