KATIE HOLMES  
AND SURI

Crawling  
down the  
catwalk

Little stars are following in their mommies' footsteps and learning to strut their stuff on the red carpet at an early age! Nicole Richie and Elisabeth Rohm are getting a kick out of their kids with Heelarious' high-heel crib shoes for babies. Their little girls just might develop a footwear fetish with these silly soft pumps that are meant

to be "her first high heels." \$35, heelarious.com.

Double-duty buddies

Katie Holmes, Geena Davis and Nelly Furtado make feeding time friendly for their little ones with Bottle Pets. The huggable stuffed animals fit over any bottle or sippy cup for both drinking and playing fun. It's a way for celebrity babies to get a taste of the wild life! \$20, lunchboxgoods.com.

Tinseltown's nap time

Hollywood babies have a new playmate and napping pad! Celebrities like Salma Hayek and Jennifer Lopez let their little ones snuggle up on an oversize Cuddle Rug. These super-plush teddy bears are great for resting on. They're so comfortable, Mom and Dad might even find themselves dozing off on one. \$45, fabulousgifts.com.
