KELLY'S NURSERY

▲ Kelly loves this Touch of Love Pressure Point Massage Snuggie for massaging your baby.

Pom Pom Bloom Love sweatshirt.

Kelly's ordered six Smuggly Fitted Crib Sheets from LA based Lil Rags.

◀ The baby will be kept snug in this natty red jacket from Potit Potipon.

Average mom Kelly saves her kids' gear

Kelly has her son Michael's old clothes ready for her next baby boy. "That's why we decided to find out the sex of the baby this time around. I have these two tremendous-sized boxes of baby stuff, so I wanted to know what I could donate and what I should keep for the new baby." Kelly tells *In Touch*.

▶ Don't ruin that shirt, Michael. It's still good for baby No. 1.

The baby's room will smell sweet. Kelly will use Alera Ambiance due, a soothing scent of jasmine, cucumber and ylang ylang.

This Gina Alexander diaper bag features a sepia-toned photo of her on the beach with Lola.
